

CaroTrans Opens New Office in Chile to Support Growth in South America

- CaroTrans' team will build on 20 year history in market -

Union, New Jersey, April 18, 2011-- CaroTrans, a leading global NVOCC (non-vessel operating common carrier) and ocean freight consolidator, announces a new office in Santiago, Chile to support expansion in South America. With a twenty year history of doing business in South America, CaroTrans with this new hub office will strengthen its position in this region and its overall network of operations in the U.S., Asia and Oceania. The CaroTrans team in Chile will be led by Raul Katz, Latin America Manager, CaroTrans, who will be responsible for market development in South America.

"The opening of the CaroTrans Chile office continues our investment in CaroTrans' global infrastructure, and local support and care of customers in South America. This is a very important market for the global shipping industry and our expansion makes certain that we will have the resources in place to provide the highest level of customer service and support for our global network," said Greg Howard, Global CEO, CaroTrans.

With this new office in Chile, CaroTrans along with its dedicated partners Craft, Overseas and Inca Line will aim to further strengthen its market position in Brazil, Argentina, Peru and Ecuador.

Raul Katz, CaroTrans' Latin America Manager, commented, "I am excited about leading CaroTrans operations in Chile and we are committed to delivering exceptional LCL (less than container load) and FCL (full container load) import and export service to our local customers."
