

CUSTOMER ADVISORY No. 213 - Addendum A

The Global Team You Can Depend On!

Carriers have taken additional rate recovery action into Europe. This increase in ocean freight costs by the shipping lines has left us with no alternative but to implement a General Rate Increase (GRI) into the European trade-lanes, to coincide with their actions. Details of the increases are as follows:

DESTINATIONS	DESTINATIONS	TYPE	GRI	EFFECTIVE DATE
USA and Canada Origins (except Los Angeles, Portland, San Francisco, Portland, Chicago and Detroit)	Austria, Belgium, Czech Republic, Denmark, Germany, Hungary, Finland, France, Norway, Netherlands, Poland, Russia, and Switzerland	LCL	USD 6.00 W/M; Min USD 6.00	Sailing Date April 1, 2010

Trans-shipment cargo will also be subject to these increases.
In the event any further information is required, please contact
your International Account Manager or local Customs Service Team.

THANK YOU FOR YOUR CONTINUED SUPPORT OF CAROTRANS.
