

Carriers have taken additional rate recovery action into Oceania. This increase in ocean freight costs by the shipping lines has left us with no alternative but to implement a General Rate Increase (GRI) into these trade lanes to coincide with their actions. Details of the increases are as follows:

ORIGINS	DESTINATIONS	TYPE	GRI	EFFECTIVE DATE
All North American CFS	Australia (except Fremantle) and New Zealand	LCL	USD 6.00 W/M; Min USD 6.00	Sailing Date June 21 st , 2010

Trans shipment cargo will also be subject to these increases. In the event any further information is required, please contact your International Account Manager or Local Customer Service Team.

THANK YOU FOR YOUR CONTINUED SUPPORT OF CAROTRANS
