CUSTOMER ADVISORY IMP010410

Carriers have instituted a GRI immediately as of February 1st sailings from the Chinese and Taiwanese trade-lanes. This increase in ocean freight costs by the shipping lines has left us with no alternative but to implement a General Rate Increase (GRI) ex all Chinese and Taiwanese Trade Lanes to coincide with their actions. Details of the increases are as follows:

Please note if GRI is mitigated down, CaroTrans will revise the increase.

ORIGINS	DESTINATIONS	TYPE	GRI	EFFECTIVE DATE
China and Taiwan	All USA Destinations	LCL	USD 8.00 W/M; Min USD 8.00	February 1, 2010

Trans-shipment cargo will also be subject to these increases. In the event any further information is required, please contact your International Account Manager or local Customs Service Team.

THANK YOU FOR YOUR CONTINUED SUPPORT OF CAROTRANS.
