CaroTrans Announces New Office in Dallas Offering Expedited Services to and from the Region

- CaroTrans consolidation and deconsolidation services in Dallas are unique offering -

UNION, NJ, May 16, 2011 -- CaroTrans, a leading global NVOCC (non-vessel operating common carrier) and ocean freight consolidator, has opened a new office in Dallas, Texas offering freight forwarders enhanced, expedited import and export ocean transportation services. The Dallas office will handle LCL (less than container load) and FCL (full container load) shipments bound to and from the U.S. East and West Coast ports.

CaroTrans currently has thirteen offices in the United States including their new Dallas office.

"Our new Dallas office represents CaroTrans' continued commitment to decentralized, local market positioning," said, Greg Howard, Global CEO, CaroTrans. "Our decentralized approach empowers our local teams which enable them to provide the highest level of customer service and support."

Matt Britton, Dallas Branch Manager, CaroTrans, remarked, "We have established a CaroTrans office in a location where other NVOs haven't set-up shop. We feel we are bringing a needed service to this area and it will help forwarders better serve their shipper clients."

The CaroTrans Dallas office location: 4101 William D. Tate Avenue, Suite 235, Grapevine, Texas 76051, ph: 817-416-5700

About CaroTrans

Established in 1979, Carotrans International is one of the world's leading NVOCCs providing global LCL, less than container load, and FCL, full container load services. Through our network of offices in Asia, South America, Oceania, and the United States, along with our strong local partners, we offer a global reach that is truly unique.

Carotrans is a people driven company with dedicated, experienced and knowledgeable team members who engage customers with passion and experience on a local level.
